Week 3 – from 29th July to 2nd August, 2013 (5 days)

Week 4 – from 5th to 9th of August, 2013 (5 days)

The summer school students will be grouped by age. Following are the groupings of students:

2 to 5 year olds – The Dolphins

5* to 8 year olds – The Sharks

9 to 12 year olds – The Whales

(*students who turns 5 by 31st of August shall be grouped in 5-8 year olds while the students who will turn 5 after the 31st of August shall be grouped in 2-5 year olds)

The Programme

This year's summer school programme takes a different approach by using the project-based teaching and learning. A theme will be adopted each week, which shall become the focus for learning. The students will learn English, Mathematics and other concepts related to the theme as they focus on accomplishing a given task. They will use and apply those concepts in real-life situations and learn through the process of doing.

Apart from the weekly theme, the students will also have swimming and computer lessons.
